- a. It is determined that interventions in the general education program have not **been effective in alleviating** ~~adequately addressed~~ the **student’s** educational difficulties ~~and it is believed that the student may be disabled.~~
- b. It can be documented that the nature of the student’s educational problem(s) is such that an evaluation to determine eligibility for services is warranted without delay.
- c. The **Building Principal**, through in-service training, shall ensure that students **are referred** who may **have a disability, but** ~~be potentially disabled are referred even though they~~ are advancing from grade to grade.

- (1) **A student with a disability, who is advancing from grade to grade with the support of specially designed services, may continue to be eligible when:**
  - (a) **As part of the re-evaluation, the Individualized Education Plan (IEP) team determines that the student continues to require specially designed services to progress in the general education curriculum; and**
  - (b) **The use of functional assessment information supports the IEP team’s determination.**

The following procedure will be followed for a school initiated referral:

- a. A referral to the CST will be completed by the referring staff member;
- b. I&RS documentation including, but not limited to: teacher reports, grades and other relevant data **such as, IR&S documentation** shall be forwarded with the referral to the CST along with any other relevant data;

- c. I&RS documentation does not need to be forwarded for direct referral when the nature of the student’s problem is such that the evaluation is warranted without delay;
  - d. The referral should be dated upon receipt by the CST;
  - e. A file will be initiated to include a timeline for processing the referral including the date that initiates the twenty-day timeline for conducting the referral/identification meeting;
  - f. Upon receipt of the referral, a request for a summary and review of health and medical information regarding the student shall be forwarded to the school nurse who will transmit the summary to the CST;
  - g. The **Case Manager** will convene a referral/identification meeting within twenty calendar days (excluding school holidays, but not summer vacation) of the date recorded on the referral;
  - h. A “Notice of a Referral/Identification Meeting” will be sent to the parent(s);
  - i. The notice shall contain **a link to** “Parental Rights in Special Education” (PRISE); and
  - j. The referral/identification meeting will be attended by the parent(s), CST, and regular education teacher.
4. The district may use community rehabilitation programs approved by the New Jersey Department of Labor, Division of Vocational Rehabilitation Services or any other State agency empowered to accept secondary level student placement according to N.J.A.C. 6A:14-4.7(~~fi~~)<sup>4</sup>.
  5. Each evaluation of the student requires an assessment to determine appropriate post-secondary outcomes as part of transition services planning.
  6. Each IEP Team member is required to certify in writing whether the IEP Team report reflects his or her conclusions. In the event the IEP Team report does not reflect the IEP Team member’s conclusion, the IEP Team member must submit a dissenting opinion in order to ensure the parent(s) is aware of dissenting opinions regarding the determination of eligibility for a specific learning disability.
  7. The parent(s) must receive a copy of their child’s evaluation report and any documentation leading to a determination of eligibility not less than ten calendar days prior to the eligibility conference in order to ensure the parent(s) has a reasonable amount of time to review documentation prior to an eligibility conference.
  8. A student may be referred directly to the ~~Child Study Team~~ **CST** when warranted.
