

- **Facilities:** The committee reviewed the status of the Windsor School sale. It appears that things are moving forward. Town B.A. Joy Tozzi spoke with Facilities Director Kim Keener about some questions and they conducted another walk through of the building. The property cannot be winterized because it is not healthy for it. We need to keep it running until the sale is complete. Estimated cost to district is about \$5K-\$6K. A discussion about the Pond Road Middle School kitchen took place. Interim BA Mark Ritter is looking at determining whether the district has sufficient excess funds from the referendum project to make the needed improvements with kitchen equipment and the like. The architects will need to create a plan for the equipment/improvements. Mr. Ritter will advise FFT at next month's meeting as to the amount of funds available.
- **Finance:** At the time of the meeting, the committee was advised that the audit was nearly complete. The auditor is scheduled to attend this month's meeting to review his findings. Once the audit is accepted, Mr. Ritter will close out the 2015-2016 budget and begin working on 2016-2017.
- **Chartwell Donation \$500 for State of Schools:** FFT was informed of the generous contribution and was very pleased to accept same. Members of FFT who attended the State of the Schools commented on how amazing the desserts prepared by Chartwells were.
- **OLD BUSINESS/Snow Removal:** There was one bidder for the snow removal contract; our existing vendor Waters & Bugbee. The hourly rate is up from \$266 to \$300 per hour. However, administration remarked about the quality of their work and the fact that they had not increased their rate over the last three years.
- **OLD BUSINESS/Trailer Disposal:** The committee discussed including the disposal of the trailer on the agenda. It is at the end of its useful life and is not being used any more despite costing us \$1K per year. The committee agreed to put it up for sale to see if a willing buyer could be found. The trailer cost \$22K back in 2006 when it was purchased.
- **OLD BUSINESS/Request for Busing from Town Center:** A gentleman from Town Center has contacted the district a number of times about providing busing from Town Center to the Middle School. He is currently demanding that the Board circulate a proposal to provide subscription busing to Town Center if sufficient interest is shown. Administration has reminded him that this proposal was previously circulated and resulted in few responses of interest. FFT indicated that they did not think that circulating another proposal made sense at this time.
- **OLD BUSINESS/Billboard:** FFT inquired as to whether administration had an opportunity to follow up with our counsel concerning the billboard issue. Administration indicated that they hope to have something to report at the next FFT meeting.
- **Next Committee Meeting:** December 14, 2016

#### D. Community Relations – Mr. Richard Young

Mr. Young reported on the following Community Relations matters.

- **Community Values Survey Revised:** The committee reviewed the revised Community Relations survey and will provide feedback before it is administered through google forms. Several Chromebooks will be set up during the State of the Schools to encourage participants to complete the survey.
- **State of the Schools, November 15<sup>th</sup>:** The details for the second annual State of the Schools Celebration. The event begins at 6:30 pm in Sharon School's cafeteria with dessert provided by Chartwells. A short program will take place including words of welcome, performances from each of the three schools, and a video clip to advertise the RHS fall drama. Dr. Foster will then provide a brief overview of the goals before dismissing people to visit various classrooms which highlight district initiatives.
- **Other Agenda Items:** Suggestions were discussed to promote awareness and action to eradicate drug use in the high school. Mr. Heilman hopes that the Pond and RHS PTA's would be able to provide funds to bring in Tony Hoffman, a former BMX biker and drug user to speak at the middle and high schools. Other ideas included organizing a Task Force with students, parents, boe members, administration, township officials, and outside agencies such as City of Angels, The Municipal Alliance, or the prosecutor's office. Additional programs should include texting and driving. More to come!

## **XI. FIRST HEARING OF THE PUBLIC**

### **A. LOUIS BATAGLIA**

Mr. Bataglia represented six families and nine children (all Sharon Elementary School students) from the Windsor community. The families are not satisfied with the location of the bus stop. Students are currently picked up and dropped off in the parking lot of Amarones. Mr. Bataglia stated that this is inconvenient and unsafe, especially in the winter when the parking area is not plowed and given that due to wetlands protection, there are no sidewalks. The families requested that the bus travel to the end South Main Street, a dead-end road, and turn around picking up students along the way.

### **B. NUSHIN KAHANI**

Mrs. Kahani indicated that a friend complained to her about seeing a bus driver (SES Town Center bus) on the phone and texting while driving. She also asked district officials to provide information on a recent K-9 search that took place at Robbinsville High School. Dr. Foster explained that the K-9 search, just one of a variety of approaches, was meant to serve as a deterrent. Other methods include education, police presence, and collaboration with the county prosecutor's office. She noted that students were cooperative and no arrests took place.

### **C. GABRIEL SMOLARES**

Mr. Smolares commended the Board for its multi-modality approach to preventing student drug use.

### **D. NUSHIN KAHANI**

Mrs. Kahani indicated that there are rumors circulating that involve students flushing drugs during the search. Dr. Foster stated that the rumors she was referring to are false.

### **E. JHANSI SADULA**

Mrs. Sadula asked if a similar search is being planned for Pond Road Middle School. Dr. Foster said that age appropriate plans are in the works.

**XIV. HEARING OF THE PUBLIC**

**A. AARON HOBART**

Mr. Hobart indicated that a fair price for the cost of design work (for the PRMS kitchen) should be 5%-10% of the cost of the job. He stated that if the cost of this work is projected to be \$145,000, engineering fees of \$23,900, as stated in the resolution, are too high.

**B. LOUIS BATAGLIA**

Mr. Bataglia asked if the Windsor families could expect to hear if any changes would be made to the bus stop before the next Board meeting. Dr. Foster indicated that she will talk with the Transportation Coordinator and let him know the outcome. Mr. O’Grady assured the group that student safety is the district’s highest priority and that the district would strive to obtain the best possible outcome after all factors are taken into account.

**XV. OLD BUSINESS**

Mr. Young said the district did a commendable job with the K-9 search and that there had been lots of positive feedback. He noted that he is disappointed with the outcome of the solar project (there were no bidders that met all of the criteria) and hopeful that the matter can be revisited, perhaps adding solar to the parking lots.

Given the district’s inability to secure an AP Statistics teacher to fill in during the Math Supervisor’s maternity leave, Mr. O’Grady called for a motion to authorize the district to hire an online tutor.

**XVI. AUTHORIZE ONLINE TUTOR: AP STATISTICS**

On motion of Mr. Halm and seconded by Mr. Young, the Robbinsville Board of Education voted 7-0, upon recommendation of the Acting Superintendent, to authorize Robbinsville Schools administration to allocate the necessary resources to fund an online tutor for the AP Statistics class.

**XVII. NEW BUSINESS**

Mrs. DeVito indicated that it was wonderful to have student volunteers help out at the Holiday Bazaar. She complimented the student performers and thanked the staff members that offered their assistance to make the annual event a success.

**XVIII. EXECUTIVE SESSION - 9:04PM**

On motion of Mr. Halm and seconded by Mrs. DeVito, the Robbinsville Board of Education voted 7-0 to reconvene in Executive Session to continue the discussion about hiring a new School Business Administrator.

**XIX. RESUME PUBLIC SESSION – 10:50 PM**

**XX. CONTRACT OFFER: BETH BROOKS**

On motion of Mr. O’Grady and seconded by Mr. Halm, the Robbinsville Board of Education, upon recommendation of the Acting Superintendent, voted 5-2 to extend an offer to Beth Brooks to serve in the position of School Business Administrator pending salary negotiations and contract approval by the Executive Mercer County Superintendent. The vote was as follows.

Mrs. Ciaccio – No  
Mrs. Dee – Yes  
Mrs. DeVito – Yes

Mr. Heilman – No  
Mr. Young – Yes  
Mr. Halm – Yes

Mr. O’Grady – Yes

**XXI. ADJOURNMENT**

On motion of Ms. Dee and seconded by Mr. Halm, the Robbinsville Board of Education voted 7-0 to adjourn the November 22, 2016 monthly meeting at 10:52 PM.

Respectfully submitted,

Mark A. Ritter  
Interim School Business Administrator / Board Secretary
