Happy 5-year Anniversary to Robbinsville Extended Day!

Dear Mercer County parents,
Robbinsville Extended Day (R.E.D.) is a 12-month school-age care program based in the heart of charming Robbinsville, NJ. We are completely managed by the public school system, so educational quality and value are a priority to us.

This year, most of our summer offerings will be held at Sharon Elementary School. Our extensive facility renovations are complete, including a new state-of-the-art playground built for the gradual stages of childhood play, from ages 5 - 12. Funding for this outdoor play area was made possible due to the success of R.E.D.

Our childcare program profits go right back to our community children for generations to come! Even if you don't live in our community, we invite you to play & learn with us this summer by taking a R.E.D. class.
