

Linda Field honored

Special to The Robbinsville Sun
The Robbinsville Extended Day Program honored Linda Field (center) on March 15 for her 25 years of childcare service to Robbinsville families. Field, who is well-known for her craft lessons, has been caring for township children since the 1980s through her work with the various organizations that have run the after-school programs: the YMCA of Princeton, S.A.F.E., and now R.E.D. Shown with Field above are R.E.D. Director Pam Elmi and Assistant Coordinator Kevin Keener.
