

June 2017

Dear Parents,

Welcome to Discover Kindergarten. We are happy that you have chosen our program for your child as a way to prepare for the exciting kindergarten days ahead!

Mrs. Peggy Damm and Mr. Bryan Fleischhacker will be the lead teachers this summer. Mrs. Damm has taught at Sharon School for **twenty** years; thirteen in kindergarten, three in second grade and **four** in preschool/music & movement. Mr. Fleischhacker has taught in elementary classrooms for **ten** years and currently teaches third grade at Sharon. We also have three aides on staff for Discover Kindergarten: Mrs. Lori Monaco, Miss Emily Anderson, and Miss Rachel Wierzbowski.

We have planned many activities that will provide creative learning experiences for your child. The weekly themes for this summer are Beach, **Sports**, **Colors**, Insects, Sky, and Seasons. Meeting new friends and practicing school routines are important ways to help in the transition to kindergarten for the fall. Please remember to provide us with an extra change of clothes for your child on the first day. We keep these on hand just in case there is a bathroom accident, which does happen! It is also advisable that you send in a bottle of water and small snack with your child each day. (Students attending the 9am-3pm session should please pack a lunch).

If you have any questions, please email Pam Elmi (R.E.D. Director), Mr. Fleischhacker (weeks 1, 2 and 3) or Mrs. Damm (weeks 4, 5 and 6). We are glad to have you join the R.E.D. family this year.

Sincerely,

The R.E.D. Discover Kindergarten Staff
